

NEWS RELEASE, 2 DECEMBER, 2013

ANALYST SITE VISIT

Antofagasta PLC is hosting a site visit for analysts at its operations in Chile from today until 5 December.

The analysts attending the visit will receive presentations from the CEO, Diego Hernandez, and the senior executive and operational management teams today in Santiago. Over the course of the week they will visit the operations at Los Pelambres, Esperanza, El Tesoro and Antucoya.

The presentations are available on the company website in the Reports and Presentation section (www.antofagasta.co.uk).

There will be no statement on current trading and no material new information disclosed in the presentations.
